Administration of awards

1. No significant changes have been made to the way in which the awards are administered.

Selection Procedure

1. No significant changes have been made to the underlying criteria for selection or the selection process.

Publicity .

1. In May a press release and list of recipients were sent to journals, critics and national dance organisations, agencies and associations.

2. In the autumn 272 small posters and 293 sheets giving details of the fund were mailed.

3. The National Independent Dance Artists Network set up by DanceUK was used again to publicise LUTSF.

4. Information providers in dance in the UK who have web sites were informed of our web address.

Finances

1. The accounts for the year ending 31 March 2001 show that all expenditure was within budget. Once again our use of a travel agent led to a saving. As a result of an extra fund raising event income was exceeded by expenditure by £3,132 as opposed to the £5,500 budgeted. It is our policy to spend

capital that we are given and so, as there is enough capital to continue at the present level of spending for a number of years, the charity normally proposes deficit budgets.

2. Once again committee members have borne much of the administrative cost themselves.

3. We have received a number of donations including a gift of £1,280 from Gillian Lynne and we are grateful for the continuing support from the Linbury Trust. Further income was received from covenants set up in 1997 and some cash donations. We held one fund raising event in the garden of Tylosand in Surrey which raised over £1,000, and we were given tickets to sell for a dance production in London which also raised just over £1,000.
